Dear Dr. Sass,

Good morning -- and thank you for reaching out. We will explore calendars and propose some calendar options for a virtual (or virtual + in-person) meeting for you to consider. Just so you are aware, when IRIS meets with external stakeholders, all meeting materials and list of attendees are posted on our website: <https://cfpub.epa.gov/ncea/iris2/events.cfm#stakeholderMeetings>.

We look forward to meeting with you and colleagues,

Tina

Subject: TCEQ EO briefing request

Dear Drs. Thayer and Bahadori,

On behalf of NRDC I would like to request a stakeholder briefing for NGO public interest groups, community members, and other interested members of the public on the TCEQ critique of the IRIS ethylene oxide assessment.

We also request that it be webinar format so that people from across the country can join.

We would be most appreciative if you could arrange such a briefing.

Thank you in advance,

Jen Sass
